

SECOND REVIEW – S3&4

As stated, we provide this encapsulation of Sections 3 and 4 in the form of bullets to assist in answering the 20 questions for the 2nd Review.

- The plan for the *synthesis* of Humanity is to unite Humanity's "*separate elements*" or different beliefs into a "*coherent whole*", or Truth."
- We are all responsible for Evolution.
- We are able to remember stories easier than facts.
- Christ-like teachers often used stories to teach Spiritual lessons.
- The Conductor represents both the Macrocosm and the Microcosm.
- The Maestro or individual Spirit is *Great Spirit-Mind* or "God."
- Inner peace isn't about being quiet.
- Disharmony occurs when we are not following our path.
- The Mystical Art of Archetypal images act as a trigger for the memories of our inner purpose.
- Metaphors for the Supreme Being can be misleading.
- The Key to The Mysteries is hidden in the English language.
- A Conductor is "in charge", he or she doesn't produce, own, or create; whereas the Maestro does all three.
- The "right-hand" of *Great Spirit-Mind* or "God" is a Spiritual Being but not the Supreme Being.
- A deeper level to Numerology is Gematria.
- Gematria is a Kabbalistic method of concealing secret information by assigning additional meanings to Numbers.
- The 777,000 is the orchestra all playing in tune together.
